VENDOR REFERENCE & RECOMMENDATION LETTER

To whom it may concern,

This serves as a letter of recommendation for QDS.

Liberty has been using QDS for more than four years and as the main contact person on the account I have worked with the team long enough to confidently recommend their services.

QDS delivers excellent, professional and efficient distribution and logistical services and go the extra mile to accommodate requests. We have a wide variety of deliveries that need to be made on both a regular and ad hoc basis, sometimes to outer-lying areas, and the QDS team has always been willing and able to assist.

You can truly tell that the customer is at the centre of what QDS does and the team gives personal attention to each delivery. In addition, they provide insightful recommendations should there be anything we need to know or that might work better for a specific delivery. They are able to adapt to our changing needs quickly and effectively and are able to accommodate last-minute requests, while still ensuring quality service.

I would recommend their services to any company that requires the services they deliver.

Kind regards,

Layla Rabaney
